

SAVE TIME & MONEY

Proven Hydraulic Performance

Save time, save money, and streamline your loading process with the hydraulic Wingman. This is the first **STC-approved "Load Assistant System"** designed specifically for Air Tractors.

✓ **With the HYDRAULIC WINGMAN, pilots can:**

Open the hopper door with a simple switch flip:
Ready for loading in seconds.

✓ **Start the auger directly from the cockpit:**
Level the product fast.

✓ **Load dry products safely—no on-wing loader:**
Creates a safer and more efficient loading process.

The Best of Both Worlds

Our newest patent pending Wingman system takes the best of both worlds, combining an electric door with a hydraulic auger for unmatched performance and versatility.

With the HYBRID WINGMAN, pilots get:

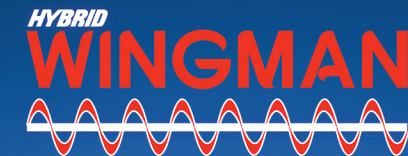

✓ **Electric Double-Latch Door System:**
Facilitates a secure seal for consistent performance.

✓ **High-Performance Hydraulic Auger:**
Enhanced to exceed the capabilities of the original.

✓ **Optimal Fill and Balance Distribution:**
The hydraulic auger can push solids to both the hopper's forward and aft extremities, facilitating optimal fill and balanced distribution.

Upgrade your operations with Wingman or Hybrid Wingman—because **every second counts.**

The Best of Both Worlds

57667

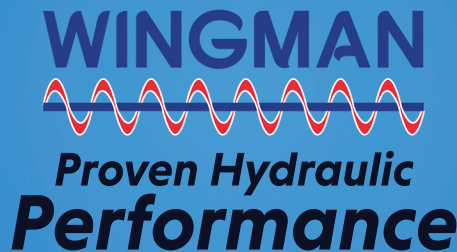

Hybrid Wingman System for AT802

- *Door Install Kit*
- *Auger Install Kit*
- *Hybrid Power Pack Kit*
- *Hydraulic Hoses & Fittings*
- *Hybrid Electronic Kit with Switches*

57668

Hybrid Wingman System for AT502/602

- *Door Install Kit*
- *Auger Install Kit*
- *Hybrid Power Pack Kit*
- *Hydraulic Hoses & Fittings*
- *Hybrid Electronic Kit with Switches*

98-12

Hydraulic Wingman System for AT502

- *Door Install Kit*
- *Auger Install Kit*
- *Hydraulic Power Pack Kit*
- *Hydraulic Hoses & Fittings*
- *Electronic Kit with Switches*

99-12

Hydraulic Wingman System for AT602

- *Door Install Kit*
- *Auger Install Kit*
- *Hydraulic Power Pack Kit*
- *Hydraulic Hoses & Fittings*
- *Electronic Kit with Switches*

W802-02

Hydraulic Wingman System for AT802

- *Door Install Kit*
- *Auger Install Kit*
- *Hydraulic Power Pack Kit*
- *Hydraulic Hoses & Fittings*
- *Electronic Kit with Switches*

Upgrade your operations with Wingman or Hybrid Wingman—because every second counts.
